

MUSEUM & HERITAGE COLLECTION STORAGE

Bespoke Cabinets

UNIQUE DESIGNS.

No one museum or heritage project is the same and that's why over the years we have worked and continue to work with this sector to develop products and accessories.

Individually Designed Drawers

Dust Seal Picture Racking

MANUAL MOBILE SHELVING.

Mobile shelving is the most effective product at maximising storage capacity and can be used with new shelving, existing shelving or existing products.

POWERED MOBILE SHELVING.

A powered mobile system has many advantages, firstly the system is easy to move particularly if your hands are full. It can have basic commands or sophisticated controls which include pin code locking and automatic opening.

Traditional Pull Out Picture Racking

Cantilever shelving for large or rolled material

Standard Toast Rack System

PICTURE RACKING & ROLLED MATERIALS.

From traditional pull out picture racking, mobile picture racking to our famous Toast Rack system, it has never been easier to store not only paintings but a large range of products.

Traditional Pull Out Picture Racking

Long span and Prospan Shelving

LARGE ITEMS.

Store a large range of heavy and/or awkward shaped items on heavy duty shelving.

Pallet Racking with Steel Decks

Pallet Racking with Steel Decks

Glass Doors

ACCESSORIES.

We work with our clients to design accessories that are suitable for their collections, many of these are bespoke items that become part of our Museum and Heritage range.

Pull Out Display Drawers

These include items such as drawers in special sizes, drawers with glass tops, doors with a variety of finishes and dust proof picture racking.
